SILVER BULLET BOYS

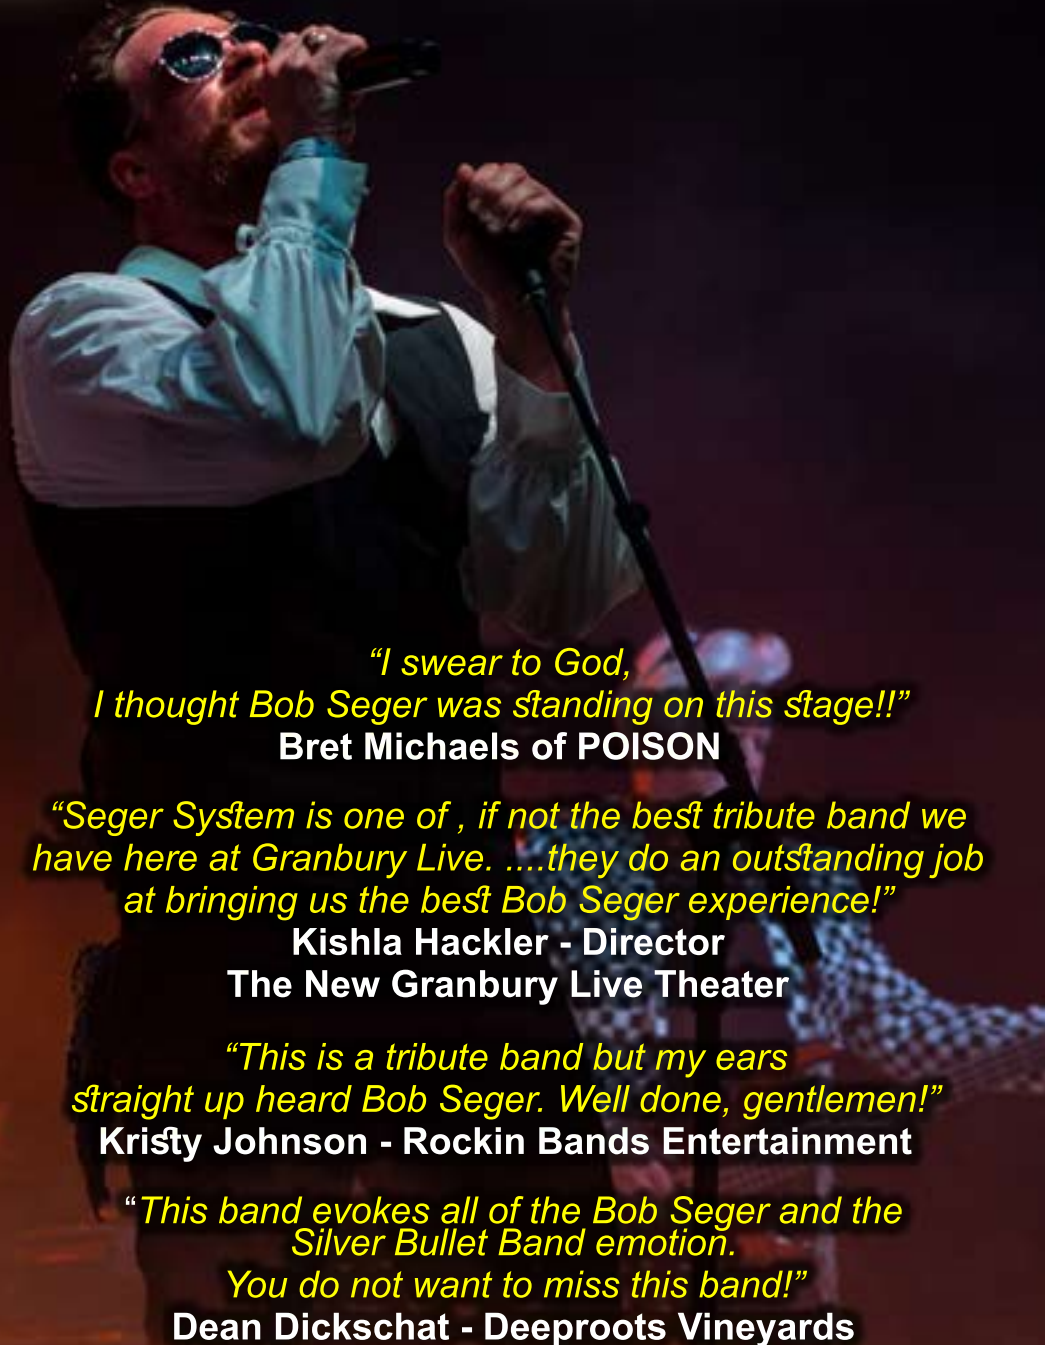

## ULTIMATE BOB SEGER TRIBUTE

SEGER SYSTEM - Ultimate Bob Seger Tribute was formed to honor and continue the musical legacy of Bob Seger and the Silver Bullet Band. SEGER SYSTEM re-creates the look, feel, and most importantly, the sound of one of rock's revered icons by delivering an authentic representation of Bob Seger's greatest hits.

Based out of the Dallas, Texas area, SEGER SYSTEM has sold out multiple performing arts theaters, drawn capacity crowds at city concerts and music festivals as well as packed venues small and large with fans of all ages.

SEGER SYSTEM was chosen to open concerts for Don Felder, formally of the legendary EAGLES and Bret Michaels of the band POISON.

From the anthemic opening chords of "Old Time Rock And Roll" to the soulful melodies of "Against The Wind" and "Turn The Page" to the heart thumping rhythms of "Hollywood Night" and "Fire Down Below" and the reflective ballad of "Night Moves" every song is performed with care and attention to detail. Over two hours of greatest hits are in the que to keep fans wanting even more. SEGER SYSTEM hopes that everyone who leaves one of their concerts feels like they were at a real Bob Seger concert.
